Thanks, Gloria and Steve,

I am now uploading emails into one folder to be attached to the response letter.

And, Gloria, it turned out that there was just the one "unsure." The search came up with a couple of emails; one sent to me, and one that I forwarded.

Hi Marlene:

I don't have any more comments on the database of documents. (BTW, I did not see the second email that you referenced marked "unsure.").

Gloria,

As it turns out, I only had one "unsure" email.

And, as Ken from USGS is included in the cc's, I am converting this from unsure to releasable.
